Dear Sertoma Club Members:

Thank you for your generous contribution to our Gulf Breeze Wrestling Program. As you may know, our program is funded entirely by the support of parents and community businesses. Your donation will be used to help purchase a new wrestling mat and equipment for the team.

The goal of the Gulf Breeze Wrestling Program is to provide outstanding training for our wrestlers while emphasizing a strong sense of ethics, teamwork, high academic achievement and community involvement. With your help, I have no doubt that we will reach that goal. Thank you again for your support!

Sincerely,
