

December 1, 2010

Mr. Robert Randall
Gulf Breeze Sertoma

Dear Mr. Randall,

On behalf of the Pensacola State College Foundation and its Board of Governors, **Thank You!** Your support of Pensacola State College students through our scholarship programs is most appreciated. Through these programs the Pensacola State College Foundation is able to fulfill its mission of giving students the opportunity of higher education without financial barriers.

Your generosity makes a difference in the lives of our students. In the 2009-2010 academic year, more than 2,200 students were awarded a total of \$889,925.43 in Foundation scholarships which helped pay for tuition, books and syllabus required materials. Many students would not be able to attend college at all without this scholarship assistance.

Enclosed please find your year end financials for the Wilton Wiggins Memorial Scholarship. The Foundation changed its fiscal year end date from June 30 to December 31 during the fiscal year ending December 31, 2009. Therefore the reporting period includes the six month period beginning July 1, 2009 through December 31, 2009 and an unaudited period beginning January 1, 2010 through June 30, 2010.

Additionally, there is a "Change of Contact Information" form enclosed for your convenience. Please take a moment to help us better serve you by updating our records with any information that may have changed during the year.

Due to budgetary constraints, the Florida Legislature had to defer match money for scholarships again this year. As in past years, your current contribution, immediately assisting students, will be submitted again next year for the match. Although there has been a substantial delay in the availability of state matching funds, we remain hopeful that when matching funds do return all donations will be matched in the order in which they were received. Scholarship donations on deposit by February 1, 2011 will be submitted for state match in the 2012 request.

Because of your benevolence, Pensacola State College students can look forward to a brighter future by continuing their education. Again, thank you from the Pensacola State College Foundation and those students receiving your help. Should you need any assistance, please contact Sherry Halford at (850) 484-1564 or Angela McGhee at (850) 484-1788.

Sincerely,

A handwritten signature in blue ink that reads 'Patrice'.

Patrice S. Whitten, CFRE
Executive Director
