Dear Members of Gulf Breeze Sertoma,

We would like to thank you and your organization for the generous donation to our after school program. Your donation will be put to great use through providing recreation equipment and special events for the children. Part of your donation will also be utilized for enrichment activities to improve the children's experience with our program.

This inaugural year for the program would not be possible without your support and encouragement.

Sincerely,

A handwritten signature in black ink, appearing to read "Sydney C. Palma". The signature is written in a cursive style with a large, prominent initial "S".

Program Director
