

We can't thank you enough for your generous donation as well as your continued support. What a great group of men! You have changed the lives of our students. From all of us at Pyramid we "Thank you"

Dear : *Curt Breeze Serkoma*

On behalf of The Pyramid Players and artists of Pensacola, we would like to thank you for helping make the stellar performance of "**What About Babe?**" an overwhelming success!

We wholeheartedly thank you for your contribution to and support of "**What About Babe?**" It was a memorable occasion for all involved and we cannot thank you enough for your generosity. With your support, Pyramid's students were given the opportunity to be full participants in the life of their community; to impact their community in positive ways as people who make a difference.

With a full house and a standing ovation, "**What About Babe?**" proved to be a truly enjoyable evening of family-friendly community theatre at its best! The compliments on a job well done by this remarkable troupe of performers and artists continue to flow in. None of this would be possible without your support. Thank *you* for making a difference and thank you, too, for being a true Friend of Pyramid.

With sincere gratitude,
