Dear Mr. Andy McKeown:

Thank you so much for your generous donation of \$250 to the Gulf Breeze Sound Wave Band.

Without your support and the support of the larger Gulf breeze community, the marching band, as well as the excellent music education program at Gulf Breeze High School that it represents would simply not be possible. Although Santa Rosa County provides some support, the lion's share of funding for extracurricular activities, including the band, is paid by participating students' families and through donations from the community.

With the generous support of people like you, this year we have been able to purchase new uniforms for the band. The old uniforms served the band well for many years, but were becoming threadbare and required untold hours of repair and maintenance just to hold together. Hopefully, you will have an opportunity to see the band perform at one of the upcoming football games or band competitions and see the new uniforms for yourself!

For more information on how your donation is helping to make a difference in the lives of our band students, we invite you to visit our website at [gbhssoundwave.com](http://gbhssoundwave.com).

Thank you again, and we look forward to your continued support.

Sincerely,
